I. Call to Order and Establishment of a Quorum

Emily Wilson called the meeting to order at 1:00 pm

II. Final Budget Review and Approval of the 26/27 Budget

Mr. Carpenter asked if the Co-Op had any sort of Fund Balance specifically regarding if we had available funds to use in the event that a qualified applicant for the vacant diagnostician position applied. Mrs. Wilson assured the board that we had federal funds available and that an amendment to the grant can be completed at any time if a qualified diagnostician applied and was hired during the 26/27 school year. Mrs. Wilson again shared that the plan to cover the vacant diagnostician position would be covered by our recent retired diagnostician, Mrs. Kim Mahoney which the board agreed was a good decision.

Mr. Carpenter motioned to approve the budget

Mrs. Tule seconded the motion

III. Adjournment

Mr. Carpenter motioned to adjourn the meeting

Mr. Aiken seconded the motion

The meeting was adjourned at 1:10
